Re: Dockets 50-275-OL
50-323-OL

Dear Mr. Parr:

Item 3.53(1), 3.53(2), 3.53(3), and 3.53(4) of the request for additional information transmitted with your letter dated August 7, 1975 asked for additional information concerning the relationship between high energy lines and vital electrical conduits which have been relocated as a result of our analysis of postulated pipe breaks outside the containment. Enclosed are three copies of drawings and photographs showing the relationship between high energy lines and vital electrical conduits. The locations shown on the photographs are indicated on the drawings by notations corresponding to photograph numbers. The drawings and photographs enclosed are as follows:
