Re: Dockets 50-275-OL  
50-323-OL

Dear Mr. Dicker:

In my letter to you dated May 2, 1975 I stated I would forward additional copies of the report concerning 1972-73 environmental investigations at Diablo Canyon, which provides information as to baseline monitoring programs, ocean current studies, and removal of the intake cofferdam. To avoid having too many supplements to the Diablo Canyon Environmental Report I have decided to delay submission of the report one week in order to include other information I expect to be available in what will be Supplement No. 4 to the Diablo Canyon Environmental Report.

Very truly yours,

*Philip A. Crane*
