(Diablo Canyon Nuclear Power Plant, Unit No. 2)  
Docket No. 50-323 - NEPA

Dear Mr. Eissler:

I have recently received your letter of February 21, 1974 with attached subpoena for Dr. Ronald Doctor.

Since my efforts to reach you by phone to determine whether an original subpoena had been sent to the Board have been unsuccessful, I contacted Mrs. Bowers who informed me that she had not received any subpoena from you.

Inasmuch as the Board chairman is empowered to issue subpoenas, not counsel for the regulatory staff, I am, by copy of this letter, forwarding both your letter and the subpoena to Mrs. Bowers.

Sincerely,

Lawrence J. Chandler  
Counsel for AEC Regulatory Staff
