Dear Mr. Muller:

This is in response to your letter of 12 December 1972 addressed to Mr. John E. Hirten, Assistant Secretary for Environment and Urban Systems, regarding the draft environmental impact statement and other pertinent papers on the Diablo Canyon Nuclear Reactor Units 1 and 2, San Luis Obispo County, California.

The concerned operating administrations and staffs of the Department of Transportation have reviewed the material submitted. It is our determination that the impact of the project on transportation is fairly minimal. We have no comments to offer and we have no objection to the project.

The opportunity for this Department to review the draft statement for the Diablo Canyon Project is appreciated.

Sincerely,

J. D. McANNI

Acting Chief, Office of Marine  
Environment and Systems
