

12/17/79

UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION

BEFORE THE ATOMIC SAFETY AND LICENSING APPEAL BOARD

In the Matter of:

PACIFIC GAS & ELECTRIC
COMPANY
(Diablo Canyon Nuclear
Power Plant Units 1 & 2)

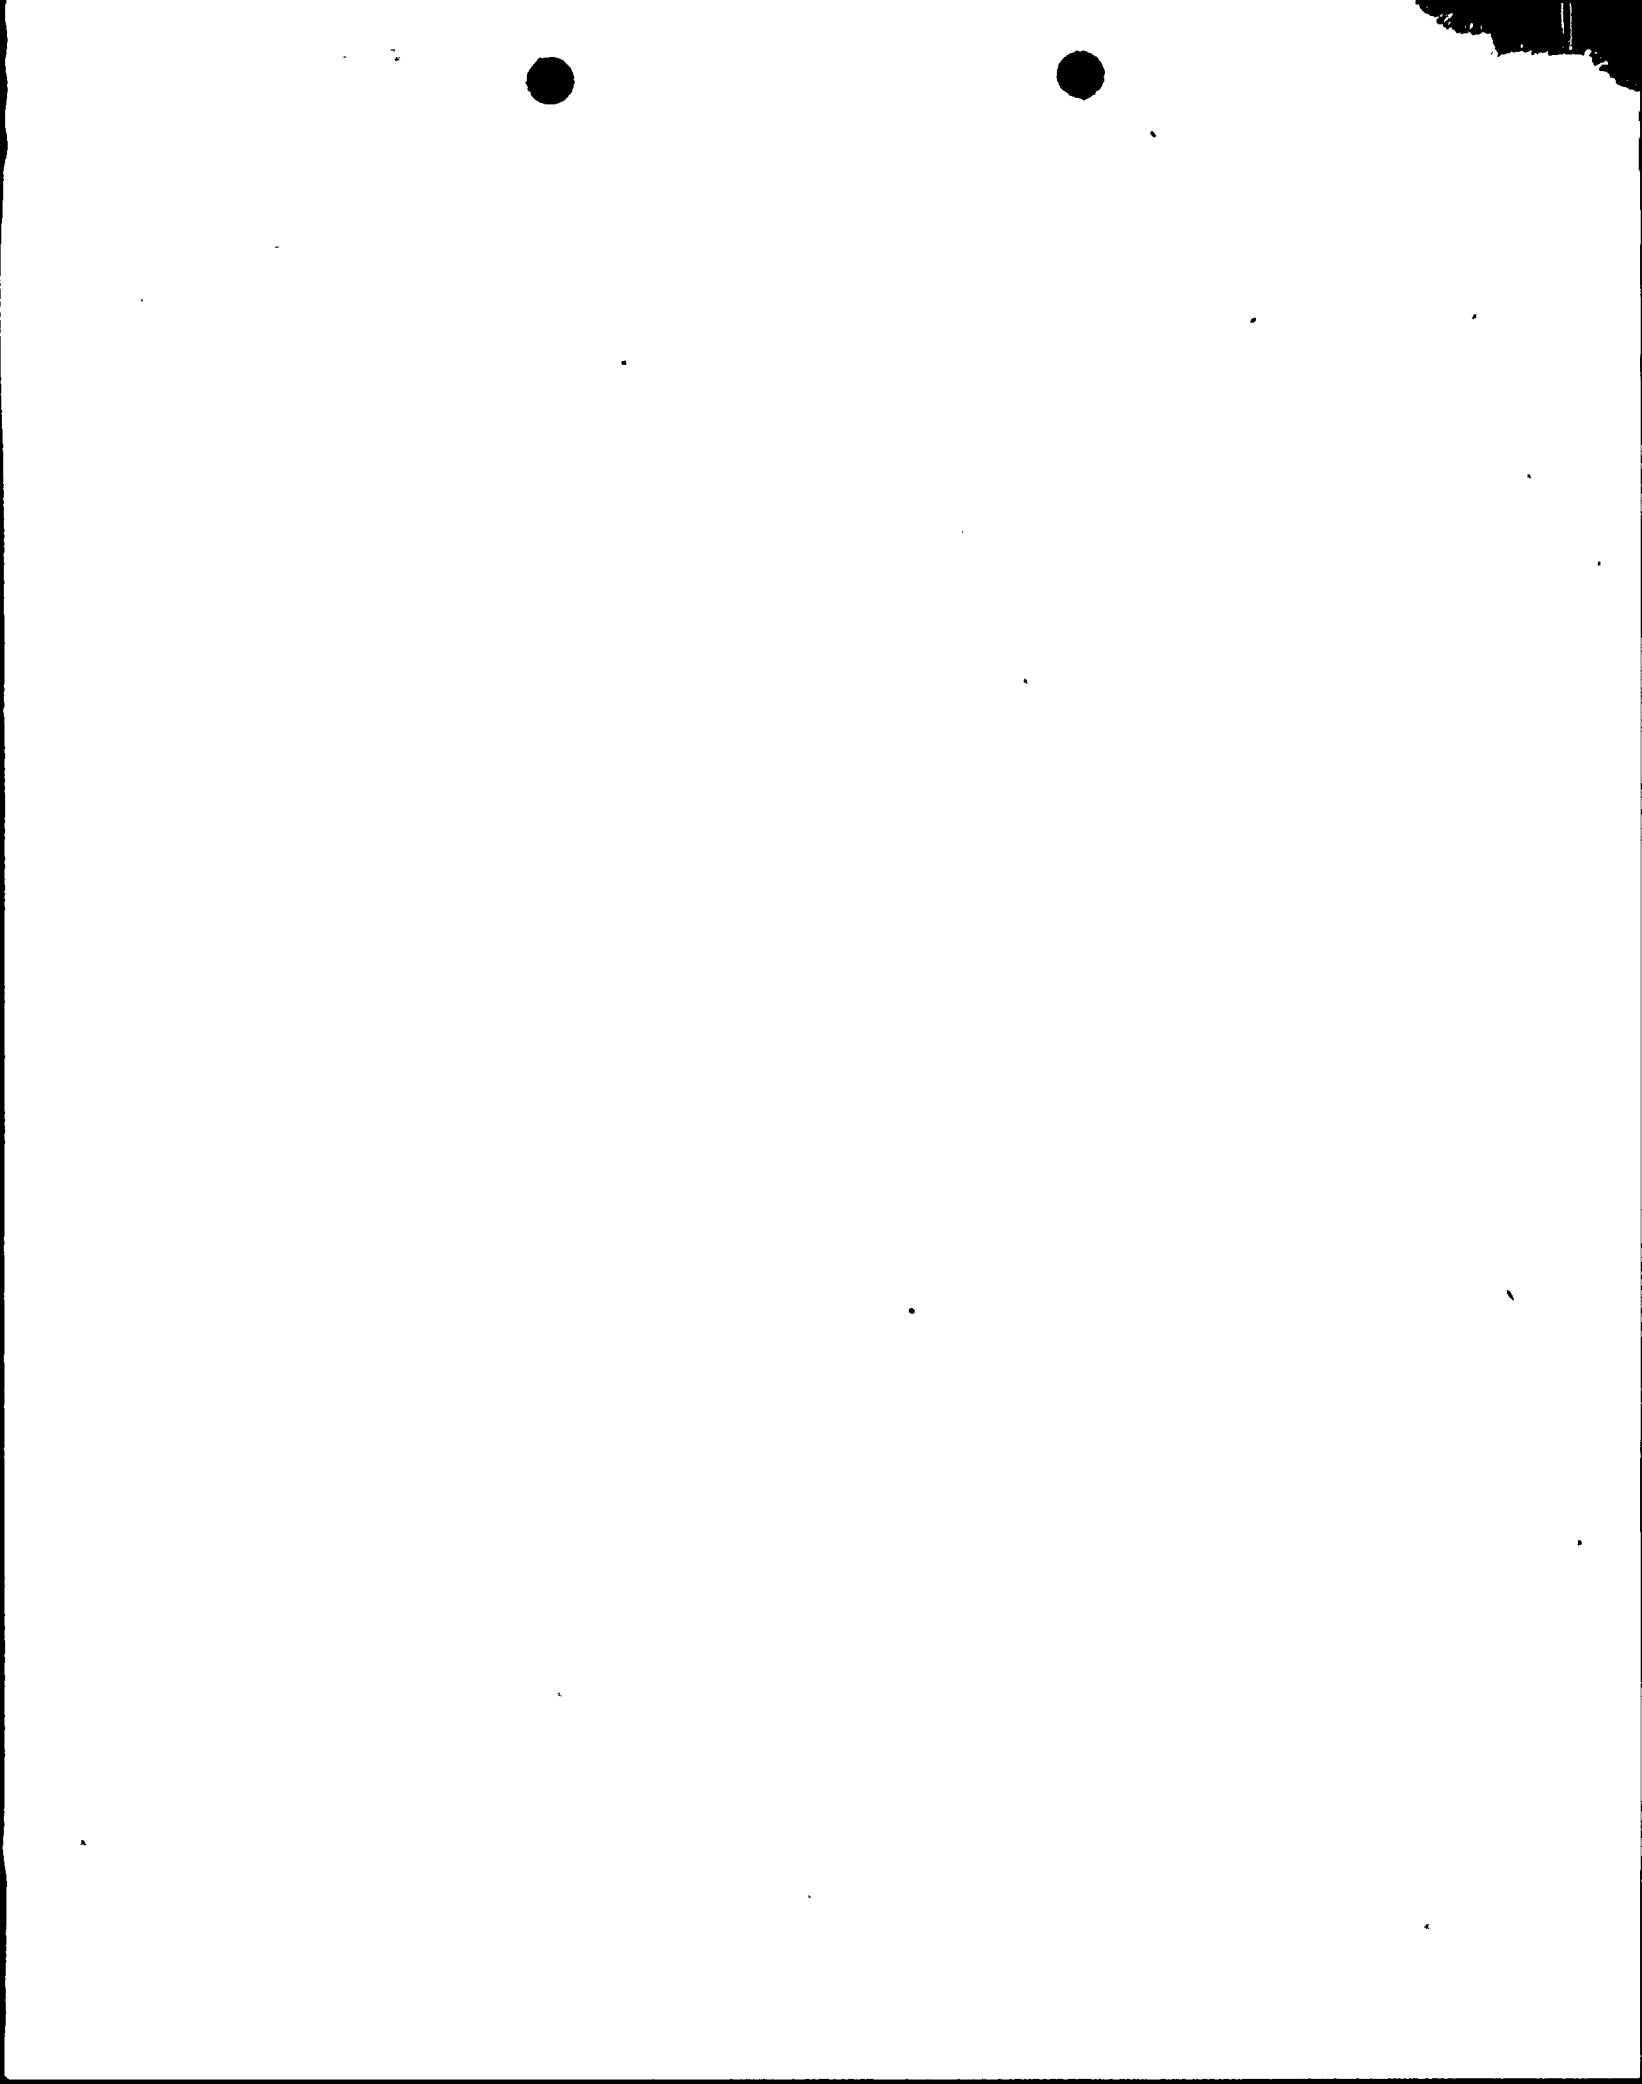

Docket Nos. 50-275 O.L.
~~50-323~~ O.L.

JOINT INTERVENORS' REQUEST TO BE
EXCUSED FROM THE REQUIREMENT TO
FILE WITH THE COMMISSION TWENTY
COPIES OF THE JOINT INTERVENORS'
BRIEF IN SUPPORT OF EXCEPTIONS

The Commission's regulations - 10 CFR §2.708(d) -
require that an original and twenty (20) conformed copies of
the JOINT INTERVENORS' BRIEF IN SUPPORT OF EXCEPTIONS be
filed with Docketing and Service.

Because of the costs involved and because the Joint
Intervenors have very limited resources, we request to be
excused from the requirement of filing twenty copies with
Docketing and Service. The Joint Intervenors have filed
with Docket and Service an original of the brief and thirty-
one (31) copies in all were served on the members of the
certificate of service.

GRANTED
For the Appeal Board 12/27/79
C. Jean Bishop
Secretary to the Appeal Board

Respectfully submitted,

David A. Fleischaker
