Re: Docket No. 50-275-OL
Docket No. 50-323-OL

Dear Mr. Cornwell:

This is in reply to your letter to me dated November 8, 1974. As far as we are concerned the sea otter affair is closed. We have no objection to your speaking to Mr. Garcia. We only request that you do so on his time, not ours.

With regard to the interrogatory included in your letter, an answer under oath to essentially the same question was made in response to Interrogatory 13 of the San Luis Obispo Mothers For Peace in the series dated October 14, 1974. A copy of our response was furnished you and no additional reply appears to be required. Furthermore the question does not appear to fall within the issues raised by your petition to intervene and is objected to on that basis.

Very truly yours,

Philip A. Crane, Jr.
