**Re: Radiation Safety Officer Change and Legal Entity Name Change
License No. 37-19654-01
AECOM Technical Services, Inc.**

Dear Dr. Lodhi:

We wish to inform you that Mr. John Volk will no longer serve as Radiation Safety Officer. Mr. Michael R. Malter, CIH, CSP, has assumed the responsibility of Radiation Safety Officer.

He will be assisted by Mr. Brent Schrader, who has attended a Radiation Safety Officer training course, and is the Deputy Radiation Safety Officer.

The proper legal entity should be changed to AECOM Technical Services, Inc. No property has changed hands, this is an administrative change.

If you require any further information, please contact me at 610.832.2706 (direct line) or 267.250.1236 (cell). Michael Malter's phone number is 610.832.2725 (direct line) or 215.407.8689 (cell).

Very truly yours,

John C. Volk, P.E.
Vice President

Michael R. Malter, CIH, CSP
Pennsylvania Area SHE Manager

cc: Ms. Sally Miller, AECOM
Mr. Brent Schrader, AECOM

	Licensing and/or Technical Reviewer or Branch Comm, Industrial, R&D, and Academic Branch

This is to acknowledge receipt of your: Letter and/or Application Dated: 10/25/2016

The initial processing, which included an administrative review, has been performed.
 Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

The following administrative omissions have been identified:
[Empty box for listing omissions]

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
