Subject: [External_Sender] Date clarification for Jansen L. Swanson's NRC 313A (RSO) form (UNCLASSIFIED)

Classification: UNCLASSIFIED
Caveats: NONE

Mr. Tripp,

In response to our earlier phone call the dates listed on the NRC 313A form for 1LT Swanson do indeed represent the month and year of when the training occurred.

So training listed as occurring from Nov 14 - Dec 15 is meant to mean from November 2014 through December 2015.

Hope this helps, please let me know if I can assist with anything else.
