SUBJECT: REQUEST FOR SEALED SOURCE AND DEVICE REGISTRATION
CERTIFICATE

Dear Mr. Rushton:

This is in response to your letter dated June 13, 2016, requesting a sealed source and device registration certificate for the BC-30 Beta Calibrator. We have completed your request. A copy of the registration certificate is enclosed.

Please be advised that you must manufacture and distribute any registered product in accordance with the statements and representations contained in your application, with enclosures thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate.

Please read over the enclosed registration certificate in its entirety and notify us immediately of any errors or omissions.

You are obligated to notify us promptly in writing should you decide to no longer manufacture, distribute, or offer service support for the product.

If you have any questions, please contact me at Celimar.Valentin-Rodriguez@nrc.gov or at (301) 415-7124.

Sincerely,

/RA/
