Ty,

Based on Pat's response, I billed them an hour and consider action complete.

Ty,

It's acceptable for review. I'll ping Carole next week and close it out. I didn't see any required action on it.

Hi Keith,
I'm following up on the GNF FOCI document I sent over on 11/3 in the attached TAR. Can you give me any status on it's acceptability and continued review? Thanks

Ty
