

Strategic Alliance for FLEX Emergency Response (SAFER)

National SAFER Response Centers, SAFER, and the
U.S. Nuclear Industry

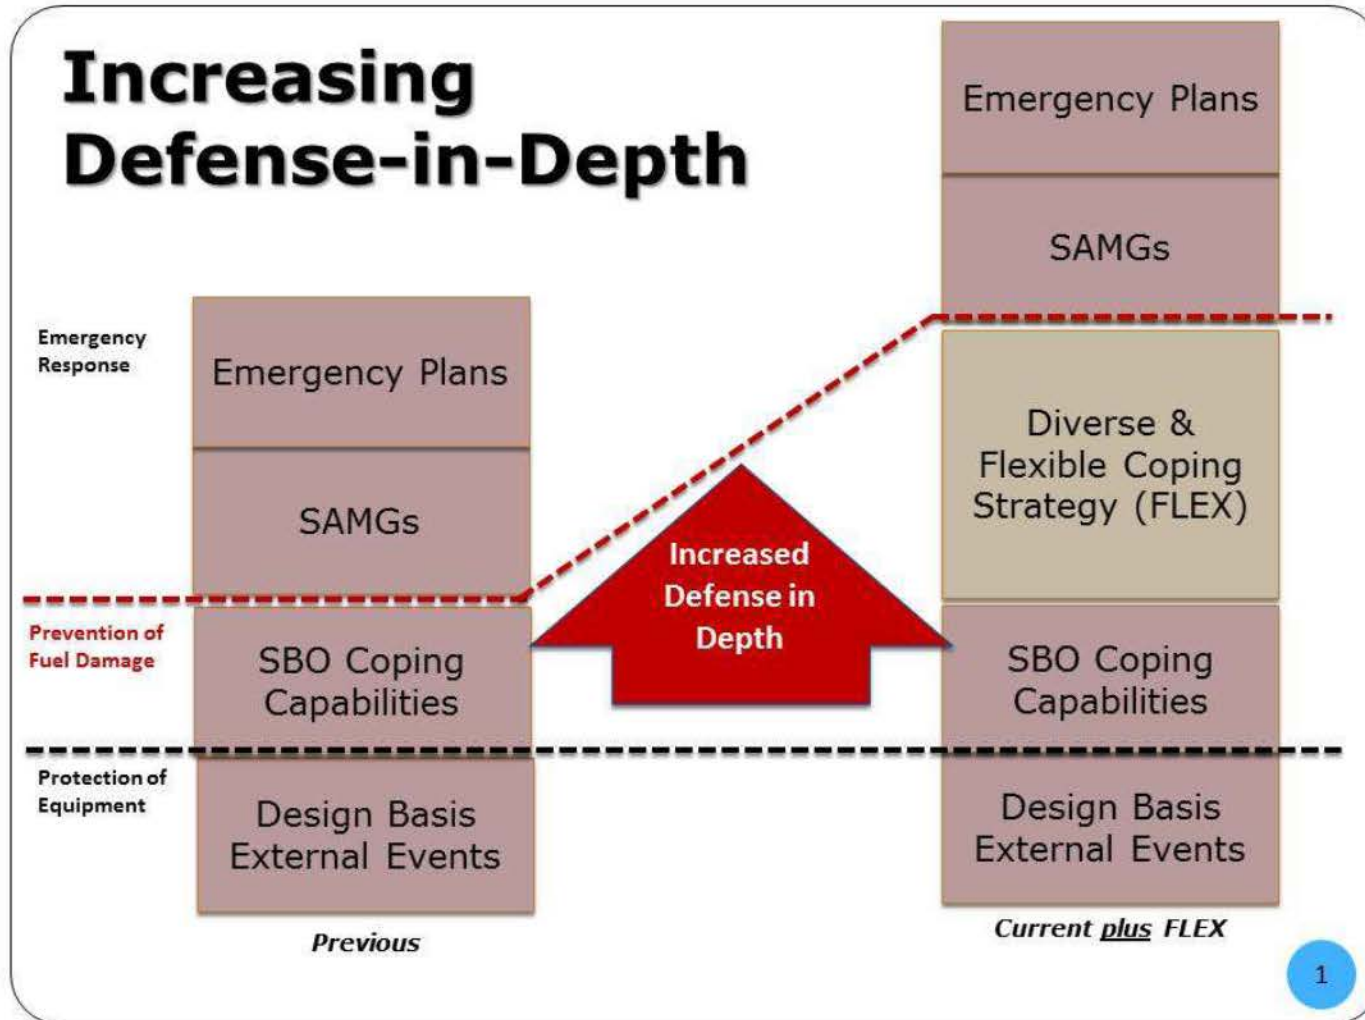

National SAFER Response Center Strategy

The Pooled Equipment Inventory Company (PEICo) joined forces with AREVA Inc. to create the SAFER Team to develop and manage a FLEX national response center program as part of the PEICo's existing Pooled Inventory Management (PIM) Program for the U.S. nuclear industry.
