CITIZENS ALLIED FOR SAFE ENERGY MOTION REQUESTING
ADDITIONAL TIME TO FILE A PETITION TO INTERVENE

Citizens Allied for Safe Energy, Inc., a Florida Not-For-Profit Corporation, is hereby requesting additional time until Monday, November 28, 2016 to file a Petition To Intervene and Request For A Hearing regarding the Environmental Impact Statement for Combined Licenses (COLs) for Turkey Point Nuclear Plant Units 6 and 7 – Final Report (NUREG-2176) which is due today.

CASE was prepared to file today but, somehow, half of the draft petition was erased and it is not possible to redo it for today's filing deadline. In the interest of meaningful and, hopefully, relevant discouse and consideration of the important matter at hand, CASE is requesting additional time to file.

CASE would note that it has established standing in these proceedings.
