Date:	<u>November 20, 2016</u>	Check #	<u>NA</u>
Company:	<u>US Nuclear Regulatory Commission</u>		
TCNS #:	<u>NA</u>		
County/State:	<u>Boone County, MO</u>		
Description:	<u>Proposed Northwest Medical Isotopes, LLC Radioisotope Production Facility</u>		

To Whom It May Concern:

The Caddo Nation received correspondence regarding the above referenced project. Our office is committed to protecting sites important to tribal heritage, culture and religion. Furthermore, the tribe is particularly concerned with archaeological sites that may contain human burial remains, and associated funerary objects.

As described in your correspondence and upon research of our database(s) and files, we find that this project is in the Caddo Nation area of interest. However, it does not impact sights fo interest to the Caddo Nation. Please proceed with the project as planned keeping the Caddo Nation informed of any changes or discoveries.

Please note the Caddo Nation of Oklahoma is the only Federally Recognized Caddo entity in the United States and consultation must be made only with designated staff of this tribe. We appreciate your cooperation in contacting the Caddo Nation to conduct proper Section 106 consultation. Should you have any questions, feel free to contact myself by phone at the Caddo Nation Headquarters at 405-656-2344.

Tamara Francis-Fourkiller
Caddo Nation Chairman/THPO

Chairman Francis- Fourkiller has been temporarily assigned the duties of THPO by Tribal Resolution on March 5, 2015 and will retain those duties until otherwise re-assigned. Please address all correspondence and Administrative fees to the Caddo Nation.
