Subject: Nordion QAP Submittal - Request for Reference Information

Hello Greg,

In support of NRC's review of your QAP submittal, please provide the current revision of QSF-00, which is referenced for Regulatory Positions 2, 12, 15, 16, and 18 in the table of your application letter. Thank you!

Also, so you're aware this email, your response, and the attachment will be made publicly available in ADAMS. If QSF-00 contains proprietary information, please include an affidavit to withhold from public disclosure with your response.

Any questions please let me know.

Sincerely,

Jeremy Tapp
