Dear Mr. Giuffrida:

This is in reference to your letter dated October 11, 2016, notifying the NRC that Dr. Kovalenko has completed his training for clinical use of TheraSpheres in accordance with License Condition 12.B. of License Number 06-00649-03. Your letter is accepted as the required notification. No further correspondence on this matter is required.

In addition, as discussed with your Radiation Safety Officer, Dr. Merton, today, we understand that you have replaced Mr. Havican as the management representative. Please advise us immediately if this is incorrect. Finally, we understand that a future amendment request will be submitted with supporting documentation to include the degree designation (e.g., Ph.D.) for Dr. Merton.

Your cooperation is appreciated.

Sincerely,
