Secretary of the Commission
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Secretary Chilk:

Enclosed please find two letters
objecting to Hendrie & Kennedy's secret
meeting with P.G. & E. I consider
such a meeting unethical. I
no longer trust the judgment
of these men. They should not
be allowed to sit on judgment
on the safety and sanity of
the Diablo Plant. They should
be urged to resign.

Sincerely, Golly Coager
