Mr. Alan S. Rosenthal, Chairman
U. S. Atomic Safety and Licensing
Appeal Panel
Nuclear Regulatory Commission
1717 H Street, NW
Washington, D. C. 20555

Dear Mr. Rosenthal:

The San Luis Obispo County Area Council of Governments took action at their recent meeting to request the U. S. Atomic Safety and Licensing Appeal Panel to schedule local proceedings on the oral arguments in regards to the safety licensing of the proposed Diablo Canyon Nuclear Power Plant.

There is a local community interest and concern over the issue as we have a direct and substantive involvement in the consequence of the decisions of your appeal panel.

We urge your panel to reschedule the hearings from Bethesda, Maryland, to San Luis Obispo County in order that our citizens have the opportunity to hear the arguments relating to the safety licensing of the proposed Diablo Canyon Nuclear Power Plant.

Sincerely,

SAN LUIS OBISPO COUNTY AREA
COUNCIL OF GOVERNMENTS
