TOTAL NUMBER OF COPIES REQUIRED: LTR 64 ENCL 59  
6 58

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry must be supported by proper documentation and that the books should be kept up-to-date at all times.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps for debiting and crediting accounts, as well as the rules for balancing the books at the end of each period.

3. The third part of the document provides a detailed explanation of the accounting cycle, from identifying the accounting entity to preparing financial statements. It includes a list of the ten steps and a brief description of each.

4. The fourth part of the document discusses the importance of internal controls and how they can be used to prevent errors and fraud. It lists several key internal control procedures, such as the separation of duties and the use of checks.

5. The fifth part of the document provides a summary of the key concepts covered in the previous sections. It serves as a quick reference guide for students and professionals alike.

6. The sixth part of the document contains a series of practice problems designed to help students apply the concepts they have learned. These problems cover a wide range of topics, from basic journal entries to more complex adjustments.

7. The seventh part of the document provides a detailed answer key for the practice problems. It includes step-by-step solutions and explanations for each problem.

8. The eighth part of the document discusses the role of the accountant in the business world. It highlights the importance of the accountant as a trusted advisor and the need for high ethical standards.

9. The ninth part of the document provides a list of resources for further study. This includes books, articles, and websites that provide additional information on accounting and business.

10. The tenth part of the document contains a glossary of key accounting terms. This will be helpful for students who are new to the field.

11. The eleventh part of the document provides a list of common accounting abbreviations and symbols. This will help students understand the shorthand used in accounting documents.

12. The twelfth part of the document contains a list of frequently asked questions and their answers. This will help students clarify any doubts they may have.

13. The thirteenth part of the document provides a list of key dates and events in the history of accounting. This will help students understand the context of the field.

14. The fourteenth part of the document provides a list of key figures in the history of accounting. This will help students understand the contributions of these individuals to the field.

15. The fifteenth part of the document provides a list of key concepts and definitions. This will help students understand the basic principles of accounting.

16. The sixteenth part of the document provides a list of key terms and definitions. This will help students understand the vocabulary of accounting.

17. The seventeenth part of the document provides a list of key concepts and definitions. This will help students understand the basic principles of accounting.

18. The eighteenth part of the document provides a list of key terms and definitions. This will help students understand the vocabulary of accounting.

19. The nineteenth part of the document provides a list of key concepts and definitions. This will help students understand the basic principles of accounting.

20. The twentieth part of the document provides a list of key terms and definitions. This will help students understand the vocabulary of accounting.

21. The twenty-first part of the document provides a list of key concepts and definitions. This will help students understand the basic principles of accounting.

22. The twenty-second part of the document provides a list of key terms and definitions. This will help students understand the vocabulary of accounting.

License No. DPR-76

Subject: Design Verification Program  
Ninth Semi-Monthly Status Report for  
February 25, 1982 through March 10, 1982

Dear Sirs:

In accordance with Commission Order CLI-81-30, enclosed is Pacific Gas and Electric Company's ("PGandE") ninth semi-monthly status report, dated March 12, 1982, for the Diablo Canyon seismic review. This report summarizes the progress of PGandE's technical work from February 25, 1982, through March 10, 1982.

In response to comments of NRC Staff, we have begun to identify our semi-monthly reports both by number and by time period. In this report, the R. L. Cloud Associates, Inc. (RLCA) Error and Open Items shown in our tracking system listing have been identified as errors, open items, quality assurance findings or quality assurance observations.
