

MAY 28 1982

Docket No.: 50-275/323

Mr. Philip A. Crane, Jr.
Assistant General Counsel
Pacific Gas and Electric Company
77 Beale Street
San Francisco, California 94106

Dear Mr. Crane:

This is in response to your letter of March 11, 1982 regarding changes to your Physical Security Plan for the Diablo Canyon Nuclear Power Plant. We agree that the changes are consistent with the provisions of 10 CFR 50.54(p) with the condition that the phrase "...member of the security staff" in subsequent revisions.

Sincerely,

Frank J. Miraglia, Chief
Licensing Branch No. 3

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research.

2. The second part of the report is a detailed description of the methodology used in the study. It includes information about the sample size, the data collection methods, and the statistical analysis techniques.

3. The third part of the report is a discussion of the results of the study. It presents the findings of the research and compares them with the previous studies in the field.

4. The fourth part of the report is a conclusion and a list of references. The conclusion summarizes the main findings of the study and provides recommendations for future research. The references list the sources of information used in the study.

5. The fifth part of the report is a list of appendices. These appendices contain additional information that is relevant to the study but is not included in the main text. They may include raw data, detailed statistical results, or other supporting materials.

6. The sixth part of the report is a list of figures and tables. These figures and tables provide a visual representation of the data and the results of the study. They may include line graphs, bar charts, and tables of data.

7. The seventh part of the report is a list of footnotes. These footnotes provide additional information about the study and the sources of information used in the study.

8. The eighth part of the report is a list of acknowledgments. This section is used to thank the individuals and organizations that provided support and assistance during the study.
