Mr. Jerry Rogers  
Keeper of the National Register of Historic Places  
National Park Service  
U. S. Department of the Interior  
440 G Street, NW  
Washington, D. C. 20243

Dear Mr. Rogers:

Pursuant to our responsibility under 36CFR63 as licensing agency for the operation of Nuclear Generating Station Diablo Canyon, Units 1 and 2, the Nuclear Regulatory Commission requests a determination by your office of the eligibility of Site SLO-2 for inclusion in the National Register of Historic Places.

Detailed information is provided on the enclosed National Register of Historic Places Nomination Forms. Included is a letter dated September 14, 1982 from Dr. Knox Mellon, State Historic Preservation Office, California to Mr. Frank Miraglia, Nuclear Regulatory Commission in which the State requests that a determination of eligibility be sought.

If your staff requires information in addition to that provided above, please contact Louis M. Bykoski (301-492-4908) of our staff so that we may provide it to you promptly.

Sincerely,

*JS*
