Re: Docket No. 50-275, OL-DPR-76
Diablo Canyon Unit 1
Design Verification Program Final Reports

Dear Mr. Eisenhut:

PGandE's Phase I and Phase II Final Reports, discussing results of the Diablo Canyon Project (DCP) design verification effort, were completed and submitted on June 24, 1983 and June 13, 1983, respectively. In response to IDVP and NRC Staff concerns (reference SECY-83-366), the DCP has completed further work since that time which updates portions of the information documented in these reports. Accordingly, PGandE's updated information in these reports is enclosed.

Information in three other sections of the Phase I Final Report (Section 2.1.1 on Containment, Section 2.1.2 on Auxiliary Building, and Section 2.1.4 on Turbine Building), are being updated, and their revisions are scheduled for submittal on October 14, 1983.

Sincerely,

J. O. Schuyler
J. O. Schuyler
