Re: Docket No. 50-275, OL-DPR-76
Diablo Canyon Unit 1
License Amendment Request 83-10 (Revised)
Change to Technical Specification 3/4.7.7, Snubbers

Dear Mr. Denton:

On November 4, 1983, PGandE submitted License Amendment Request 83-10 relating to Technical Specification 3/4.7.7, Snubbers. Enclosed are three (3) signed and thirty-seven (37) conformed copies of an application for an amendment to Facility Operating License No. DPR-76 which supercedes in its entirety the November 4, 1983 request.

Pursuant to 10 CFR 170.22, PGandE has reviewed the proposed change and has determined that it is a Class III amendment because it does not involve a significant hazards consideration.

A check in the amount of \$4,000 in payment of the required fee for Class III amendments was submitted with the November 4, 1983 request.

Kindly acknowledge receipt of this material on the enclosed copy of this letter and return it in the enclosed addressed envelope.

Sincerely,

Enclosures

cc: J. O. Ward
