Dear Mr. Schuyler:

Subject: 10 CFR 2.206 Petition by GAP

Enclosed is a copy of a petition filed by the Government Accountability Project (GAP) on behalf of the San Luis Obispo Mothers for Peace requesting that the Commission defer any decision regarding the reinstatement of the low power license for Diablo Canyon Unit 1, pending the completion of independent reviews of safety-related construction, design quality assurance and PG&E's management. The petition, filed February 2, 1984, is being treated under 10 CFR 2.206 of the Commission's regulations, and accordingly, appropriate action will be taken on the petition within a reasonable time.

In order to assist the staff in its evaluation of the petition, we request, pursuant to 10 CFR 50.54(f), that you submit a response in writing under oath or affirmation that addresses each of the issues identified by the petition as related to the Diablo Canyon Nuclear Power Plant, Unit 1 and provide a response to us as soon as practicable, but not later than March 29, 1984.

Sincerely,

Original Signed By
E. G. Case

Harold R. Denton, Director
Office of Nuclear Reactor Regulation
