Dear Mr. Jones:

Discharge Monitoring Program  
Diablo Canyon Power Plant

The quarterly report, July 1, 1984 through September 30, 1984, of the Diablo Canyon Power Plant Discharge Monitoring Program is enclosed in accordance with amended Order 82-24, NPDES No. CA0003751. The monthly Form Q-2 for July and August have been previously submitted.

I certify under penalty of law that I have personally examined and am familiar with the information submitted in the attached document and all attachments and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the information is true, accurate and complete. The information provided herein presents the observed results of the measurements and analyses required by the monitoring program, and is neither an assertion of the adequacy of any instrument reading or any analytical result, nor an endorsement of the appropriateness of any analytical or measurement procedure. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

Sincerely,

*R. C. Thornberry*
