Re: Docket No. 50-275, OL-DPR-76
Diablo Canyon Unit No. 1
License Amendment Request No. 83-03

Dear Mr. Denton:

Enclosed are three (3) signed and thirty-seven (37) conformed copies of a revised application for an amendment to License No. DPR-76. This application supersedes and replaces in its entirety the application forwarded on May 10, 1982. The changes from the previous request are noted by revision bars in the right-hand margin.

Pursuant to 10 CFR 170.22, PGandE has reviewed the proposed changes and determined that a Class II amendment fee is applicable as the amendment is administrative in nature and has no safety or environmental significance. However, since the previous license amendment request has not been acted upon, no fee in addition to that paid for the previous request appears applicable.

Kindly acknowledge receipt of this material on the enclosed copy of this letter and return it in the enclosed addressed envelope.

Very truly yours,

Philip A. Crane, Jr.
