Dear Judge Moore:

The Interim Technical Reports (ITRs) 36 and 38 transmitted as Preliminary Drafts for your use at an earlier date, contain incorrect pages for Appendixes G1 and G2. Attached herein are corrected copies of the appendixes for each ITR.

It is requested that these corrected copies of Appendixes G1 and G2 be inserted into the previously transmitted copy of ITRs-36 and -38. Each attachment is identified as to its applicable document. The earlier appendixes should be discarded.

We are sorry for any inconvenience or misunderstanding that may have resulted from this administrative error on our part.

Thank you for your cooperation and understanding in this matter.

Very truly yours,
