TOTAL NUMBER OF COPIES REQUIRED: LTR 44 ENCL 41

1. The purpose of this document is to provide a comprehensive overview of the current status of the project. It is intended for the use of management and other stakeholders who are involved in the project. The information contained herein is confidential and should be handled accordingly.

2. The project has been initiated in accordance with the approved business plan. The initial phase of the project has been completed, and the results are being reviewed. It is expected that the project will be completed by the end of the fiscal year.

3. The project is currently on track, and it is anticipated that the results will be positive. However, there are some risks associated with the project, and it is important to monitor the progress closely. The project manager will provide regular updates on the project's status.

4. The project is a high priority, and it is essential that all team members remain focused and committed. The project manager will ensure that the project is completed on time and within budget.

Subject: Independent Design Verification Program Final Report
List of Effective Pages

Gentlemen:

Enclosed is a List of Effective Pages to record the final assemblage of the IDVP Final Report, which was completed October 10, 1983.

This material replaces the previous list as Appendix G.2 in Volume IV of the Report.

Very truly yours,
