Response to Generic Letter 85-07, Integrated Living Schedule

Dear Mr. Thompson:

Generic Letter 85-07 requested information on whether utilities intend to develop an Integrated Living Schedule (ILS). The Generic Letter further requested information on how such an ILS would be developed if it is planned.

PGandE intends to inform the NRC by October 1986 of the schedule for submittal of an ILS program and the methodology selected (see enclosure). PGandE is considering expansion of its existing preliminary Long Term Planning Schedule into an ILS program for Diablo Canyon. A method for prioritizing the work at Diablo Canyon, with respect to an ILS, has not been established. Further, PGandE has not yet identified a date for submitting an ILS to the NRC. PGandE will consult with the NRC Staff during the development process.

Kindly acknowledge receipt of this material on the enclosed copy of this letter and return it in the enclosed addressed envelope.

Sincerely,

*J. D. Shiffer*
