REFERENCE: NRC-03-81-130 FINAL ASSIGNMENT 6, DIABLO CANYON 1 AND 2

In connection with your review of masonry walls for the Diablo Canyon Nuclear Power Plant, we are providing you with two copies of PG&E letter DCL-86-083 from J. D. Shiffer (PG&E) to G. W. Knighton (NRC), dated March 27, 1986, including a proprietary and a non-proprietary version of a report entitled "Verification of Diablo Canyon Energy Balance Technique Using SONGS-1 Masonry Wall Tests." This document was submitted to the NRC by PG&E with a request that the proprietary version of the report be withheld from public disclosure pursuant to 10 CFR 2.790. The staff has granted the request. Therefore, we are withholding the proprietary version of the report from public disclosure in accordance with 10 CFR 2.70 (b)(6) of the Commission's regulations.

We are transmitting the report to assist you and your consultant, Dr. Hamid of Drexel University, in your evaluation of masonry walls at Diablo Canyon under the above referenced contract. You are requested not to reproduce or further disclose this information, and to return the document to me upon completion of your review. Please sign and return the copy of this letter in the enclosed self-addressed envelope. Please also have Dr. Hamid sign copies of this letter and return to us.

Sincerely,

Steven A. Varga, Director
PWR Project Directorate #3
Division of PWR Licensing-A

Enclosures:

1. PG&E letter DCL-86-083, including non-proprietary version of the final report, (2 copies).
2. Proprietary version of the final report to be withheld from public disclosure (2 copies).
3. Copy of letter to be returned (2 copies).
4. Self addressed envelope (2 copies).

Agreement: I agree not to reproduce or disclose the document transmitted with this letter, and to return the document upon completion of my review.
