Dear Mr. Shiffer:

SUBJECT: GENERIC LETTER 83-28, ITEMS 3.1.3 AND 3.2.3

The staff has completed its evaluation of your responses for Diablo Canyon Unit 2 regarding Generic Letter 83-28, Items 3.1.3 and 3.2.3 on the Technical Specifications for post-maintenance testing requirements that may degrade rather than enhance safety. We find your responses acceptable and consider this matter closed for Unit 2. Our letter of June 26, 1986 resolved this matter for Unit 1.

Sincerely,

Hans Schierling, Senior Project Manager
Project Directorate #3
Division of PWR Licensing-A

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial data and for facilitating audits.

2. The second part of the document outlines the various methods used to collect and analyze data. It describes how different types of information are gathered and how they are processed to generate meaningful insights.

3. The third part of the document focuses on the application of these findings. It details how the data is used to inform decision-making and to identify areas for improvement. It also discusses the role of management in interpreting the results and implementing necessary changes.

4. The fourth part of the document provides a summary of the key findings and conclusions. It highlights the most significant results and offers recommendations for future research and practice. It also includes a discussion of the limitations of the study and the potential for further exploration.

5. The fifth part of the document contains a list of references and a list of figures. The references provide a list of sources used in the research, and the figures provide a visual representation of the data.

6. The sixth part of the document is a concluding statement that summarizes the overall purpose and findings of the study. It reiterates the importance of the research and the value of the insights gained.

7. The seventh part of the document is a list of appendices. These appendices provide additional information that supports the main text, such as detailed data tables, charts, and supplementary analyses.
