

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

April 4, 1989

Docket Nos.: 50-275 and 50-323

Michael M. Strunwasser, Esq.  
Special Assistant Attorney General  
State of California  
Department of Justice  
3580 Wilshire Boulevard, Room 800  
Los Angeles, California 90010

Dear Mr. Strunwasser:

SUBJECT: RECEIPT OF CORRESPONDENCE FROM NRC

You have been receiving copies of correspondence to Pacific Gas and Electric Company originated by the Office of Nuclear Reactor Regulation of the U. S. Nuclear Regulatory Commission concerning Diablo Canyon Nuclear Power Plant, Units 1 and 2. Documents filed by the licensee and correspondence from us regarding these facilities will continue to be made available in the Nuclear Regulatory Commission and local public document rooms. The Local Public Document Room for Diablo Canyon is located at the California Polytechnic State University Library, Government Documents and Maps Department, San Luis Obispo, California 93407. In addition, NRC regional offices or headquarters will issue public announcements should any significant events occur with respect to the facilities,

If you believe that these sources of information will not adequately serve your needs, arrangements can be made for you to continue to receive copies of NRC correspondence which are sent to the licensee during the next year. If you wish to continue this service, please let me know. You may also wish to contact the licensee directly to ask for copies of documents filed with the NRC.

Sincerely,

A handwritten signature in cursive script that reads "Harry Rood".

Harry Rood, Senior Project Manager  
Project Directorate V  
Division of Reactor Projects III,  
IV, V and Special Projects  
Office of Nuclear Reactor Regulation
