Additional Information Regarding
License Amendment Request 89-02
Revision of Technical Specifications Section 6.0,
"Administrative Controls," GONPRAC Membership, Working Hours
and Limits, Plant Staff Qualifications and Training, and Reports

Gentlemen:

PG&E Letter DCL-89-065, dated March 20, 1989, submitted License Amendment Request (LAR) 89-02 proposing changes to Section 6.0 of the Technical Specifications (TS). One of the proposed changes to the GONPRAC Composition in TS 6.5.2.2 involved changing the title of the Manager, Station Construction, to Manager, Station and Hydro Construction. Subsequent organizational changes have resulted in the title of this PG&E position reverting to the previous title of Manager, Station Construction. Therefore, PG&E requests that the title change proposed in LAR 89-02 for this GONPRAC member be withdrawn, as shown in the enclosure.

Kindly acknowledge receipt of this material on the enclosed copy of this letter and return it in the enclosed addressed envelope.

Sincerely,

A handwritten signature in cursive script, appearing to read 'J. D. Shiffer'. The signature is written in dark ink and is positioned above the printed name.
J. D. Shiffer
