Re: Status of Order Dated June 8, 1989, Before the United States District Court
for the Northern District of California (District Court); No. C-88-1600-WWS

Dear Mr. Gody:

This letter is in response to your April 16, 1991 letter requesting information on the status of the above-captioned decision. Western's motion to amend the judgment was heard on April 5, 1991. Judge Walker ruled from the bench and granted the motion to amend the judgment with reference to one of the claims between PG&E and Western, but made no other changes. The order will be final as soon as the judge files the papers officially entering his decision. As of this date, this has not yet occurred. NCPA will provide a copy of the final decision as soon as it is available.

Please contact us if you have any questions.

Respectfully submitted,

Lisa G. Dowden
