LICENSEE: Pacific Gas and Electric Company (PG&E)
FACILITY: Diablo Canyon Nuclear Power Plant
SUBJECT: MEETING ON DECEMBER 16, 1986: LONG TERM SEISMIC PROGRAM -
GROUND MOTION MODELLING

NRC staff and its consultant, Dr. Ken Campbell of the USGS, met with PG&E staff and consultants on December 16, 1986 to discuss the status of the ground motion modelling studies performed by PG&E and by the NRC consultant. The meeting notice and list of attendees are attached as Enclosures 1 and 2, respectively. The staff's comments on the presentation by PG&E and by Dr. Campbell are attached as Enclosure 3. The viewgraphs used at the meeting by PG&E and Dr. Campbell are included as Enclosures 4 and 5, respectively.

At the conclusion of the meeting, Dr. Tsai (PG&E) provided the staff with information on two recent earthquakes, the first near Humboldt Bay (48 kilometers SW of the Humboldt site) on November 21, 1986 with magnitude 5.1, the second near Morro Bay (20 kilometers NNW of the Diablo Canyon site) on December 7, 1986 with magnitude 2.9. The viewgraphs are attached as Enclosure 4c.

Hans Schierling, Senior Project Manager
Project Directorate #3
Division of PWR Licensing-A

PDR

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring compliance with applicable laws and regulations.

2. The second part of the document outlines the specific procedures that must be followed when recording transactions. This includes the requirement that all entries be supported by valid receipts and invoices, and that they be entered into the accounting system in a timely and accurate manner.

3. The third part of the document discusses the role of the accounting department in providing accurate and timely financial information to management. It highlights the importance of regular reporting and the need for transparency in all financial matters.

4. The fourth part of the document addresses the issue of internal controls and the need for a strong system of checks and balances. It stresses that this is crucial for preventing fraud and ensuring the integrity of the organization's financial data.

5. The fifth part of the document discusses the importance of staying up-to-date on changes in accounting standards and regulations. It notes that this is essential for ensuring that the organization's financial reporting remains accurate and compliant.

6. The sixth part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring compliance with applicable laws and regulations.

7. The seventh part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring compliance with applicable laws and regulations.

8. The eighth part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring compliance with applicable laws and regulations.

9. The ninth part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring compliance with applicable laws and regulations.

10. The tenth part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring compliance with applicable laws and regulations.
