SUBJECT: DIABLO CANYON UNITS 1 AND 2, EMERGENCY PLAN, REVISION 3, CHANGE 15

We have received your letter dated April 16, 1996, File: PG&E Letter DCL-96-096, Subject: Emergency Plan, Revision 3, Change 15, which transmitted Revision 3, Change 15, to the Diablo Canyon Nuclear Power Plant Emergency Plan. This revision was submitted pursuant to 10 CFR 50.54(q) and incorporated the following changes: (1) plant staff organization changes, (2) emergency response organization changes, (3) changes in methods for staffing and operating emergency response facilities, (4) emergency action level changes, and (5) administrative changes. This also refers to telephonic discussion of the changes between Messrs. A. McQueen of Region IV and R. Bliss of the Diablo Canyon Nuclear Power Plant emergency planning staff on June 26, 1996.

Our review determined that the changes are acceptable and do not appear to degrade the effectiveness of your emergency planning at the Diablo Canyon Nuclear Power Plant.

Should you have any questions concerning this letter, please contact Mr. Arthur D. McQueen at (510) 975-0241.

Sincerely,

Thomas P. Gwynn, Director
Division of Reactor Safety
