SUBJECT: EMERGENCY PLAN CHANGES

Dear Mr. Rueger:

This letter acknowledges receipt of your letter dated July 3, 1998, which transmitted Revision 26 of your Emergency Plan Implementing Procedure EP G-1, "Emergency Classification and Emergency Plan Activation," pursuant to 10 CFR Part 50, Appendix E, Part V, and 10 CFR 50.4.

Based on your determinations that the changes do not decrease the effectiveness of your emergency plan and that the plan, as changed, continues to meet the standards of 10 CFR 50.47(b) and the requirements of Appendix E to Part 50, NRC approval is not required. Our initial review of these changes indicates that the changes are in accordance with 10 CFR 50.54(q). Implementation of these changes will be subject to inspection to confirm that they have not decreased the effectiveness of your emergency plan and continue to meet regulatory requirements.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter will be placed in the NRC Public Document Room.

Should you have any questions concerning this letter, please contact Mr. Tom Andrews of my staff at (817) 860-8242.

Sincerely,

*for Dwight A. Chamberlain*  
Blaine Murray, Chief  
Plant Support Branch
