Subject: [External_Sender] ACRS review of Seabrook ASR LAR
Attachments: 20161214-sb-ucs-acrs-asr-lar-review.pdf

Dear Ms. Veil:

Attached is a PDF for a letter on behalf of C-10 and UCS requesting a formal review by ACRS of the license amendment request for concrete degradation at Seabrook. I don't intend on mailing in a hard copy, but would do so upon request.

Please provide Chairman Bley with this letter.

Thanks,
Dave Lochbaum
