

14. INITIAL TEST PROGRAM

14.1 SPECIFIC INFORMATION TO BE INCLUDED IN PSAR

Not applicable to the DSAR.

14.2 SPECIFIC INFORMATION TO BE INCLUDED IN DSAR

Section 14.2 previously included overviews of the site startup test program, which were submitted to the NRC in support of initial plant licensing. This information is considered historical and is not subject to review or periodic updates. This historical information has been relocated to Controlled Document 90216.
