Mr. Baker,

Regarding your partial site release request; We need your historical site assessment to begin our review so please submit the historical site assessment as soon as possible. The reviewer/inspector for your decommissioning action will be myself and Katherine Warner (cc'd on this email). Guidance for decommissioning is found in NUREG 1757 volumes 1-3 and can be found at <https://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1757/>

For you action volume 1 will be most helpful. Once we have received you historical site assessment we will arrange a phone call with you to discuss the request.
