Subject: Errata to Supplemental Information to Support a License Application for a Consolidated Interim Storage Facility for Spent Nuclear Fuel in Andrews County, Texas, Docket 72-1050

Dear Mr. Lombard:

Waste Control Specialists LLC (WCS) provided the letter referenced above as an electronic submission, using the optical storage media (OSM) provision from Section 4 of the NRC Guidance for Electronic Submissions to the NRC. Accordingly, the referenced letter included a Document Components listing and OSM#1 and OSM#2 listings at the end of the cover letter.

While all intended information was provided on the OSM#1 and OSM#2 computer disks, the two line items shown below were inadvertently omitted from the Document Components listing and OSM#1 listing, and the second of the two line items was inadvertently omitted from the OSM#2 listing.
