Re: Freedom of Information Act Request

Dear FOIA Officer:

This is a request under the Freedom of Information Act.

I hereby request that copies of the following documents (or all documents containing the following information) be provided to me:

- All documents pertaining to Office of Inspector General (OIG) Reports involving Nuclear Security Incident Response (NSIR) staff abuses of time, attendance and travel, and NSIR mismanagement of abuses, since 2003.
- All documents pertaining to OIG Reports of claims by NSIR staff of harassment by supervisors since 2006.
- All documents pertaining to annual Human Resources Management System (HRMS) Planned Accomplishment Reports for Division of Security Operations (DSO) and/or its predecessor organization. The reports should show regular and non-regular hours charged by employees. The reports should be sorted by planned accomplishment code and provided for every fiscal year since 2003.

As the FOIA requires, please release all reasonably segregable nonexempt portions of documents and redacted versions of any sensitive data.

I am an attorney seeking information on behalf of my client for personal use and not for commercial use. We are willing to pay the applicable fees, if any, associated with processing the FOIA request.

If you have any questions regarding this request, please contact me at (202-643-9840/nkoss@potomaclegallgroup.com). I look forward to receiving your response within the twenty-day statutory time period.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads "Natalie" followed by a stylized monogram.
