Leo – Hank and I both received a copy of your correspondence to Duffield Associates, Inc. addressed to R. David Charles, Executive Vice President dated December 14, 2016 which summarizes your license audit of our facilities on November 10, 2016. As Mr. Charles no longer works for Duffield, how do we go about getting his name replaced by W. Hank Stack, P.E., Field Services Division Director who has assumed Mr. Charles’ oversight of nuclear gauge/license related activities. Will this e-mailed request suffice, or do you require a written mailed request with a new corporate organization chart, or do we have to submit a license amendment request to facilitate this change?

Thanks for your ongoing assistance,

Mike
