Dear Mr. Kirby,

This is in reference to Mr. Starnes' letter dated November 11, 2016, requesting for amendment to Nuclear Regulatory Commission License No. 45-08890-02, Docket No. 03006580. In order to continue our review, we need the following additional information:

1. Your application should have been signed by a management representative. Currently, you are the management representative on file. It is unknown if Mr. Starnes is currently authorized to sign as a management representative. Please submit a letter signed by a management representative indicating that management has reviewed the application and concurs in the statements and representations contained therein. Note also that a management representative should sign all future correspondence that requests a change in your license.
2. You have proposed Mr. Clark as your new Radiation Safety Officer. Please provide Mr. Clark's telephone number, facsimile number, and email address.
3. Our protocol for writing licenses has changed with the implementation of a new licensing writing system. Please provide the number of devices for each specific device manufacturer and model number that you wish to be licensed. Please remember that this license states the maximum material authorized at temporary job sites within federal jurisdiction at any one time.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office (Address below) and refer to Mail Control No. 592451. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application OR amendment request.

Please respond by e-mail to acknowledge that you have received the e-mail request for additional information.
