Rainbow Research Optics  
ATTN: Kyle Allred  
Test Engineer and RSO  
6830 S. Dawson Circle  
Centennial, CO 80112

SUBJECT: RAINBOW RESEARCH OPTICS, VOIDANCE OF NEW LICENSE REQUEST

Dear Mr. Allred:

This letter refers to your request for a new license dated September 14, 2016, and to our subsequent requests for additional information dated October 26 and December 5, 2016. We received your response to the October 26, 2016, request, but did not receive a response from our December 5, 2016 request. Therefore, as we discussed over the phone, we have voided your application. This action is taken without prejudice to the resubmission of your request. Please note that when you resubmit your application at a later date, you may refer to Mail Control No. 592121 for the documentation you have already submitted. If you resubmit the application within 12 months from the date of your original new license application, you do not need to pay an additional application fee.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, you may contact me at (301) 415-7640, or by electronic mail at [Shirley.Xu@nrc.gov](mailto:Shirley.Xu@nrc.gov).

Sincerely,

**/RA/**
