Free first round to whomever gets me the info.

It's important because we are in the mix right developing rulemaking associated with 3rd

Party Arbitration of Fitness Determinations and union representation of donors. And I have not intent in setting precedence for others (i.e., DOT, HHS, et. al.). I already copied the DOT FAQ guidance.

R,
Paul

To All:

About 2 years ago we dealt with an issue of Unions being able to be at the collection facility and be present during the collection. I am not sure if we wrote a memo or for the record type of memo. Does anyone remember this and do you have the documentation. I am including Paul on this message so please send it directly to him. Thanks.
