Update to Incorporate Freedom of Information Act (FOIA) Improvement Act of 2016 Requirements: Final Rule; Parts 2 and 9 of Title 10 of the Code of Federal Regulations (10 CFR) [Regulation Identifier Number (RIN) 3150-AJ84; NRC-2016-0171]

On December 30, 2016, the NRC published a final rule in the *Federal Register* ([81 FR 96344](#)) amending its regulations to reflect changes to the FOIA. The FOIA Improvement Act of 2016 requires the NRC to amend its FOIA regulations to update procedures for requesting information from the NRC and procedures that the NRC must follow in responding to FOIA requests. This final rule is effective on January 30, 2017.

Increase in the Maximum Amount of Primary Nuclear Liability Insurance: Final Rule; 10 CFR Part 140 [RIN 3150-AJ81; NRC-2016-0164]

On December 30, 2016, the NRC published a final rule in the *Federal Register* ([81 FR 96347](#)) amending its regulations to increase the required amount of primary nuclear liability insurance from \$375 million to \$450 million for each nuclear reactor that is licensed to operate, is designed for the production of electrical energy, and has a rated capacity of 100,000 electrical kilowatts or more. This change conforms to the provision in the Price-Anderson Amendments Act of 1988 (Pub. L. 100-408) that the amount of primary financial protection required of licensees by the NRC shall be the maximum amount available at reasonable cost and on reasonable terms from private sources. This final rule was effective on January 1, 2017.
