Good afternoon Mr. Flickinger,

This acknowledges receipt of your letter dated January 2, 2017, reporting an incident that occurred on December 9, 2017, in which a radiography source became temporarily lodged in its guide tube. The U.S. Nuclear Regulatory Commission (NRC) has reviewed your letter and has no further questions at this time. The incident will be examined during a future inspection.

In accordance with Title 10 of the *Code of Federal Regulations* 2.390 of the NRC's "Rules of Practice," a copy of this correspondence will be available electronically for public inspection in the NRC's Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC's website at

<http://www.nrc.gov/reading-rm/adams.html>.

Please feel free to contact me if you have any questions regarding this correspondence.
