BWXT Nuclear Operations Group, Inc. - Lynchburg (BWXT NOG-L) is providing originally signed documents that incorporate the change of Trustee for Lynchburg site (Enclosure 1) and the revised Letter of Credit. These documents are included as enclosures. The Change of Trustee from Union Bank to Regions Bank and the updated values of the financial instruments associated with the revised Decommissioning Plan were discussed in the letter dated July 14, 2016 (Reference 4). The changes were accepted by Nuclear Regulatory Commission Staff in letter dated November 8, 2016 (Reference 5).

BWXT NOG-L, at the behest of Union Bank, requests that the NRC specifically express acceptance of Regions Bank as the new trustee and relinquishes Union Bank from any further obligation.
