TRANSFER OF CONTROL

PER INFORMATION APPENDIX G, NUREG-1556, VOL. 15

- 1) No transfer of stocks by sale will be made. The name of the facility will be Associated Physicians Group, P.L.C.
- 2) All personnel and authorized users will remain the same. The Radiation Safety Officer will remain, Won Chae, M.D.
- 3) Associated Physicians Group, P.L.C. will obtain possession of all nuclear medicine cameras, radioactive materials, sealed sources and radiation safety equipment. Our location will remain the same, 1695 W. 12 Mile Road, Berkley, Michigan 48072.
- 4) All required documents and records are currently kept in accordance with the NRC license condition. These include, but are not limited to the annual calibration of survey instruments, semi-annual leak testing of non-exempt sealed radioactive sources, radiation monitoring and personnel exposure monitoring reports. Radiation monitoring is performed on a daily basis for acceptable radiation levels and weekly for removable contamination.
- 5) Due to the small quantities and short half-lives of the unsealed radioactive materials, which we use we are exempt from showing financial assurance for decommissioning. We do not use any unsealed radioactive materials with a half-life greater than 60 days and there are no open inspection items.
- 6) All parties involved with the transfer are aware and agree to the planned transfer of ownership. Please see the enclosed, signed agreement page.
