RE: NRC Radioactive Materials License 37-35092-01/*03038671*
Notification of RSO Change

REC RG 1 01 13 17 AM 07 91

Dear Mr. Lawyer:

Universal Well Services, Inc. (UWS) would like to notify the Department that as of December 31, 2016, Meghan Yingling will no longer be an employee of UWS and the Radiation Safety Officer for Universal Well Services, Inc. will be Patricia Cobb. Patricia has been working alongside the current RSO, Meghan Yingling, for the last two years, providing training, maintaining records, updating procedures, and communicating requirements according to UWS's Radiation Protection Program. Attached are RSO training certificates for Patricia Cobb. If you should have any questions regarding this letter or enclosures, you may contact Patricia at 814-573-8295.

Sincerely,

Meghan Yingling
Environmental Compliance Manager
Universal Well Services, Inc.

This is to acknowledge receipt of your: Letter and/or Application Dated: 12/29/2016

The initial processing, which included an administrative review, has been performed.

Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

The following administrative omissions have been identified:

[Empty box for administrative omissions]

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
